Tillage is a bad idea.....

- Neighbor's field
- 7" below normal rainfall for year
- 1" rain on June 15, 2009
- Picture taken 24 hrs later

Continuous No-till – end of debate!

- 1 mile down the road
- Corn planted into wheat stubble and cover crop mix
- 7" below normal rainfall for year
- 1" rain on June 15, 2009
- Picture taken 24 hrs later

1,590,000,000,000
