

Farmer Education Sponsorship Final Report

Applicant Name:

Event Name or Description:

Event Location (if in person):

Event Dates/duration:

Briefly describe the event, who participated, and how?

What were your specific educational goals in attending? What did you hope to get out of it?

What key information or take-aways did you gather? (Please be specific as this information may be used as a learning tool and resource for other farmers.)

How likely are you to implement new skills, technology, or ideas gained from this event on your farm? What impact do you predict this may have?

What is the potential impact of this information on sustainable agriculture as a whole?

How might the information benefit other farmers in your region/community and how will you make this knowledge available?

What information, skills, or knowledge are left unanswered or unsatisfied? What new questions were raised?

Please rank the benefit of this event/information to your farming operation:

Please include any pictures from the event that may be useful to other farmers or for the SSARE outreach team.
