

Virtual Field Day AV Equipment

In June 2020, NCR-SARE worked with Maggie Norton, farmer outreach coordinator for Practical Farmers of Iowa, to offer two webinars for SARE grantees about hosting virtual field days. While a wide variety of equipment can be used to produce virtual experiences, this sheet summarizes the AV equipment suggested in the webinars. All listed equipment listed is available for purchase from various online retailers.

To understand more about how to use the equipment and how to prepare for a virtual field day, please watch a recording available online at <https://northcentral.sare.org/news/hosting-virtual-field-days>
